President's Message

As we welcome the cooler weather, the ITS Texas Board of Directors has diligently worked to ensure that this year's meeting surpasses all expectations. We are committed to delivering an informative but also engaging and entertaining program.

Our pre-conference activities kick off on the morning of November 15 with an enlightening ITS Training session centered around "Crowdsourcing for Advancing Operations." by USDOT instructors in coordination with ITSA. In the evening, we invite you to join us for a memorable BigShots outing, carefully scheduled to allow participants to attend both events seamlessly.

The conference officially commences with a captivating Plenary Session on Thursday morning, followed by insightful breakout sessions, delightful lunches, and an extended Vendor Reception lasting until 7:30 pm on Thursday. On Friday, November 17, the Annual Meeting will close with the **(CONTINUE READING)**

ITS Texas Board of Directors 2023 Elections

Want to join the ITS Texas Board?

Come join a diverse group of government employees, consultants and ITS industry suppliers on the ITS Texas Board of Directors and be a part of an exciting, innovative and growing part of the transportation world. If you want to be a part of the future of Transportation, the ITS Texas Board of Directors is the place to make your contribution. Please contact any board member through the ITS Texas website and submit your candidacy for the open Director position.

The purpose of ITS Texas is to promote and enhance public safety and community welfare by fostering research, development, and implementation of plans and programs to reduce motor vehicle deaths and injuries, improve mobility and to promote, encourage, and advance a system of safer, more economical, energy efficient and environmentally sound highway and other surface transportation through research, development, and implementation of advanced technology.
